FEDERATION
VICTORIA**

Football Federation Victoria (FFV) is the peak body responsible for all aspects of the world game of football throughout Victoria, incorporating men's, women's, juniors, Futsal, refereeing and coaching. Following the recent release of its new Strategic Plan, outlining a clear vision for Victorian football, and on the back of continued growth in participation, making football one of Victoria's fastest growing sports, FFV is poised to deliver on this vision.

An exciting new full-time position has been created to develop, implement and manage programs and initiatives for talented football players.

TECHNICAL DIRECTOR – TALENTED PLAYER DEVELOPMENT

Reporting to the FFV General Manager Football, also a newly created role, and the Football Federation Australia Technical Director, the successful candidate will need to deliver a modern and appropriate coaching culture that will enhance and strengthen Victoria's position in Australian football.

Possessing appropriate football qualifications - AFC 'A' Football Coaching Licence preferred, or as a minimum, AFC 'B' Football Coaching Licence – you will have an in-depth technical knowledge of the sport of football. Understanding of high performance structures within Australian sport and familiarity with talent development systems (both athlete & coach) will be essential to this role.

Demonstrating strong leadership qualities, you are also expected to have a proven record of successful communication, particularly with a wide range of stakeholders. Tertiary qualifications in sports management, sports science, human movement, or a related field would be an advantage.
