What is Telstra Football Anytime?

TFA is a six session program with each session lasting 75 minutes. TFA will now be offered in two formats of which a club can choose to conduct either format depending upon their individual needs. The formats are a 5 – 8 years boys and girls program and a 5 – 12 years girls only program. These programs can be conducted over a six week period or condensed into a school holiday program in the pre-season or any time during the year. One of the real features of TFA is it's flexibility in terms of when it can be delivered.

The program costs \$66 (inc.GST) per child; this includes the six sessions with children also receiving their very own equipment back pack which contains a Nike football, shin pads, markers, drink bottle and squeezezy mini football.
