### **Victorian Code of Conduct for Community Sport**

Every person in Victoria has the right to participate in community sport that is safe, welcoming and inclusive. At the same time, everyone plays a part in ensuring their behaviour and their actions are supportive of these values.

The [Victorian Code of Conduct for Community Sport](#) outlines behaviours which are expected of every person involved in community sport, and behaviours which must not be tolerated.

The Code supports [Victoria's Plan to Prevent Violence Against Women](#) by taking a zero tolerance stance towards violence against women. The Code also aims to encourage cultural and behavioural change as a pre-emptive measure against violence.

Acts of [violence](#), [discrimination](#) and [vilification](#) are illegal acts in Victoria. It is a club's responsibility to report these to the appropriate legal authorities and ensure these acts are not tolerated by the sport or club.

State Sporting Associations, leagues and clubs will have the responsibility of adhering to and enforcing the code through sport specific penalties. Organisations that do not adhere to and enforce the Code will not be eligible for funding from Sport and Recreation Victoria, and any existing funding will cease.

The Code provides the opportunity to make a positive impact on community participation in sport and recreation by encouraging appropriate behaviour at all times. Implementation of the Code will ensure that community sport remains safe and inclusive for all.

## SCHEDULE 4 – 2017 PLAYER ROSTER COMPOSITION

Consistent with the NPL Men's competition and the recommendations from the Women's National Competition Review (WNCR), each NPL Women's Team will be subject to a modified version of a PPS. The aim of the PPS is to:

- Incentivise older and experienced players to remain in the top competition
- Encourage players to remain within the same club structure
- Encourage Home grown players
- Establish a limit of W-League (and hence national team) players in the one squad
- Encourage rising stars

As part of the WNCR, it was identified that the women's game does not have an issue with excessive player payments.

As part of the WNCR, it was identified that a modified version of the Men's PPS would be implemented in the NPL Women's to address a number of key issues in respect to player rosters. In moving towards a similar model that is adopted in the NPL Men's competition, the following model will be introduced in 2017 to provide us with an opportunity to directly address the key issues as identified in the WNCR, whilst also assessing the effectiveness of the current PPS model in operation across the NPL Women's competition in Victoria.

In order to achieve our objectives as outlined in the WNCR, the following system, titled the Player Roster Composition (PRC) is proposed to address the specific detail on the composition of a player roster via certain categories. This is a hybrid system that took into consideration the player roster regulations in the Westfield W-League, Foxtel National Youth League, Hyundai A-League and the English Premier League. The PRC allows clubs the flexibility to build a player roster with the WNCR objectives in consideration.

The PRC will provide a great stepping stone in encouraging clubs to address the key areas in the NPL Women's competition such as:

- Incentivising and encouraging experienced players to remain and return to the elite state based competition.
- Encouraging clubs to develop a youth development structure that promotes players from the club's youth teams into the Senior Women's team.
- Ensuring competition parity and stability by addressing key areas of a roster.

### **Required Player Roster Composition Categories for WNPL in Victoria**

<b>Category</b>	<b>Requirements</b>
Youth Players	Each Team is permitted to have no more than 3 players on their player roster under the age of 17 in any one season (16 years of age or younger on 31 December) in that competition season
Overage Players	Each Team must have a minimum of 2 players on their player roster, 25 years of age or older in any one season (the player must be 25 years of age or older on or prior to 31st December in that competition season)

## **Competition Requirements**

- At all times during a NPL Women's season, a Club must include a minimum of 18 Players on its Player Roster and may include a maximum of 20 Players on its Player Roster.
- For the purposes of the PRC, playing in a match is defined as taking the field of play (i.e. in the starting 11 or entering the field as a substitute). For the avoidance of doubt, it will not constitute playing a match if the Player remains on the bench and does not enter the field of play.
- Player Roster Composition only applies to the PlayStation 4 NPL Women's (Senior) team only.
- All Players are required to be registered in-line with the PlayStation 4 NPL Rules of Competition and FFV Registration Regulations.

## **EXPANATORY NOTES**

### **General**

- A player may fulfil multiple categories simultaneously. I.e. A player may be classified as a Matilda and a W-League Player on a Player Roster. Clubs must take this into consideration when constructing their Player Roster.
- All Players on the Player Roster and competing in the WNPL competition must as a minimum turn 15 years of age by 31 December in that competition season.
- A player's age is based on their age as at 31st December in that WNPL competition season.

### **Player Roster**

- Clubs can promote players from their Youth Teams into their Senior Women's team on a match day. However, a player that is not listed on the Player Roster can only participate (i.e. take the field of play) in a maximum of 6 matches before she is then required to be formally included on the Player Roster in order to be eligible to play in any further matches with the Senior Team.

### **Loyalty Player**

- Should a player move from their WNPL club into the Talented Player Pathway (W-League and/or NTC) and then return to their original WNPL club from the Talented Player Pathway they will be classified as a Loyalty Player for the purpose of the PRC.

### **W-League Player**

- A Player must have started 6 W-League matches, or taken the field (either starting or as a substitute) in at least 9 W-League matches in the previous W-League season, to be classified as a W-league Player.
- A Player, who would otherwise be classified as a W-League Player under the PCR will not be considered as a W-League player for the purposes of the Player Roster in the following circumstances:
  - In 2016 and 2017 – any player who has played for a minimum of 1 year or more as a junior at the NPL Women's Club (or original applicant)
  - In 2018 – any player who has played for a minimum of 2 years or more as a junior at the NPL Women's Club (or original applicant)
  - In 2019 - any player who has played for a minimum of 3 years or more as a junior at the NPL Women's Club (or original applicant)

### **Overage Player**

- Should an Overage player leave a Club during the season, the Club may seek dispensation from FFV relieving it of the need to replace that Player during that season. Any dispensation request must explain why the Player left and why the Club cannot replace that Player with another Overage Player in the same year. FFV retains sole and exclusive discretion under the PRC to provide the club with a dispensation in relation to Overage Players in these circumstances.

### **Australian Player**

An Australian Player is any Player who is:

- a citizen of Australia;
- a Permanent Resident of Australia (where Permanent Resident means a person resident in Australia on a "permanent" visa class issued by the Australian Government, evidenced by either the person's Visa Grant Notice or as a listed entitlement on the person's online Visa Entitlement Verification); or
- the holder of a subclass 200 refugee visa or a subclass 866 protection visa issued by the Australian Government.

### **Visa Player**

- A Visa Player is any Player who does not meet the above definition of Australian Player.
- NPL Clubs are encouraged to refer to the following website for further clarification regarding visas: <http://www.border.gov.au/>
- For the purposes of the PCR, a New Zealand Citizen is classified as a Visa Player unless she satisfies the definition of an Australian Player. Please refer to the Department of Immigration website for further clarification regarding the status of New Zealand Citizens in Australia: <http://www.border.gov.au>

## **POST 30 JUNE – PLAYER REGISTRATION/PLAYER ROSTER**

**Player Registration:** no player turning 16 or above in 2017 is permitted to register with an NPLW club post 30 June unless a exemption request is granted.

**Player Roster:** no player, even if registered to the club, may be added to a Senior or U18 Player Roster post 30 June with exception to youth promotion. This also includes any existing player listed on a Player Roster who is subsequently removed post 30 June for reasons such as LTI or 'underperforming'. Players in this instance will have the opportunity to register with a Women's State League club up until 4 August (final day for a player to change clubs).

### *Scenario 1*

An unregistered/uncontracted player located interstate or overseas registers with an NPLW club and added to that club's Player Roster however would not be available for selection until mid July.

This would be permitted as the player has been:

- a) Registered and added to the Player Roster prior to June 30.

### *Scenario 2*

A registered/contracted player located interstate or overseas is interested in joining an NPLW club however cannot de-register with their current club until mid July.

This player would not be permitted to register with the NPLW club because:

- a) They are not permitted to register with an NPLW club prior to June 30 as they will be registered with another club at that time; this constitutes dual-registration which is not permitted.
- b) Players cannot be registered to/added to a Player Roster post 30 June.

### *Scenario 3*

A club removes a player from their Player Roster post 30 June, as they have been underperforming, and will be replaced by an U18 player.

This is permitted however:

- a) The removed player cannot be re-added to the Player Roster or permitted to register with another NPLW club;
- b) Players cannot be registered to/added to a Player Roster post 30 June.

### *Scenario 4*

A club removes an U18 player from their Player Roster post 30 June, to be replaced by another U18 player who played their 6<sup>th</sup> senior match in the match prior being added to the Player Roster.

This is permitted however:

- a) The removed U18 player cannot be re-added to the SPR. If that player has played 6 senior matches they would not be permitted to play another senior match for the remainder of the season including finals (see 'Finals' below);
- b) The replacement U18 player cannot assume roster positions 21 or 22 on the SPR if those roster positions have already been filled (see 'Youth Promotion' below).

## **EXEMPTION REQUESTS**

Clubs may apply for a player exemption request to register a player post 30 June in the instance their GK suffers a LTI or following departure of an 'Overage' player and that clubs falls below the minimum requirement.

NPLW clubs may only seek replacement players from non NPLW clubs. Player Exemption Request form can be found via the link below:

<http://www.footballfedvic.com.au/wp-content/uploads/2014/06/2016-Player-Exemption-Request-Form.pdf>

## **YOUTH PROMOTION**

As agreed by Clubs and FFV, an additional 2 roster positions will be added to the SPR raising the maximum number of listed players from 20 > 22; the minimum of 18 listed players still remains.

Roster positions 21 & 22 on the SPR are reserved solely for the purposes of youth promotion of U18 players. Promoted youth players may only be listed in roster positions 21 and/or 22 once and cannot change at any point thereafter. Promoted youth players may also be included in the general roster or roster positions 1-20.

Youth Promotion players must be listed on the club's U18 Player Roster (see 'U18 Player Roster' below)

### Scenario 1

A NPLW club submits its SPR on 30 June with 19 listed players with roster positions 21 & 22 left vacant. An U18 player then plays her 6<sup>th</sup> senior match and the club wishes to add her to the SPR to continue to play in senior matches.

The club is permitted to:

- a) Add the U18 player to the general roster (roster position 20). If that player is subsequently removed from the SPR, she cannot be re-added. Roster position 20 is now vacant for promotion of another U18 player.
- b) Add the U18 player to roster positions 21 or 22. That player has now taken a youth promotion roster position and cannot be replaced. In this instance, roster position 20 remains vacant for promotion of another U18 player.

### Scenario 2

A registered/contracted player located interstate or overseas is interested in joining an NPLW club however cannot de-register with their current club until mid July.

This player would not be permitted to register with the NPLW club because:

- c) They are not permitted to register with an NPLW club prior to June 30 as they will be registered with another club at that time; this constitutes dual-registration which is not permitted.
- d) Players cannot be registered to/added to a Player Roster post 30 June.

## **U18 PLAYER ROSTER**

Clubs must submit an U18 Player Roster by 30 June listing between 16-20 players. This Player Roster serves as the eligible player list for Youth Promotion to the SPR.

Selection of match day U18 squads are not limited to players solely listed on the U18 Player Roster. Clubs may still select 'overage' players from the Senior team to play down or players from their U15 team to play up.

## **FINALS ELIGIBILITY**

Rules of Competition Excerpt

*10.2.9. Each Player must have Played at least five (5) Regular Season Competition Fixtures for that Team during the current Regular Season to qualify to play Finals in 2017.*

In addition to the above clause, FFV provide the following notes:

- Players must be listed on the SPR to be eligible for finals selection;
- Clubs will not be permitted to make any changes to the SPR following the final round of the regular season;
- In the event the senior team back-up goalkeeper has not 'played' (taken the field) the required 5 matches, the Club must submit in writing a dispensation request outlining:
  - Player details (Name & FFA ID number); and
  - Outline minimum 5 matches where that player acted as the back-up GK for the senior team.
