

**TO: ALL CLUBS**

**FROM: FFV COMPETITIONS**

**DATE: FRIDAY 21 APRIL 2017**

**SUBJECT: COMMUNITY COMPETITIONS SEASON COMMENCEMENT**

---

Dear Clubs,

With Round 1 set to kickoff for the 2017 season for a large majority of teams, we remind all Club Officials, Team Managers, Coaches, Players and parents to review their fixtures prior to participating this weekend to account for any late amendments. Fixtures for all Community Competitions can be accessed via the FFV website under 'Competitions' and 'Fixtures & Results', alternatively [click here](#).

Furthermore, we remind all clubs of their responsibilities with regards to confirming Player Registrations, ID Cards, Playing Strip Details, Results Entry and Match Records which were outlined in our previous communication, [click here](#) to view the memo.

We also urge clubs to ensure that the [2017 Club Handbook](#) is provided to all Coaches and Team Managers which is designed to provide club volunteers with quick answers to frequently asked match day questions, as well as other competitions related information. The Club Handbook can be downloaded by visiting [ffv.org.au](http://ffv.org.au) under 'Competitions', 'Club HQ' and then clicking the '2017 Club Handbook' button. Alternatively, please [click here](#).

A member of the FFV Competitions team will be contactable each weekend via the Competitions Weekend Line on 0478 456 777 should you have any queries not covered in the Club Handbook or relevant [Rules of Competition](#). Please note that the Competitions Weekend Line is not for the purposes of lodging match results, player/MyFootballClub registration queries or player suspension queries.

Finally, the Competitions staff would like to take the opportunity to congratulate and thank all Club Officials who have volunteered and dedicated a significant amount of time and effort to prepare over 3400 teams for the 2017 season. Your commitment to growing the game and providing opportunities to play and or participate in football is greatly appreciated.

We wish all clubs the very best for the season ahead and good luck in Round 1 this weekend!

Kind Regards,

Brad Borsato  
**Manager, Community Competitions**
