**FROM: FFV COMPETITIONS**

**DATE: 6 JUNE 2017**

**SUBJECT: 2017 FFV GEELONG SOUTHERN HUB UPDATE**

---

Dear Clubs,

FFV wishes to update clubs with regards to the Southern Hub for the remainder of the season.

### **Mixed Under 11 Kangaroos and Joeys**

Based on the requests submitted by clubs, FFV has removed the bye in the Mixed Under 11 leagues and will run a 10-team Kangaroos and 14-team Joeys league respectively.

We wish to also remind clubs to submit results in Mixed Under 11 Kangaroos and Mixed Under 11 Joeys on SportsTG. If there are any SportsTG access issues please email [competitions@ffv.org.au](mailto:competitions@ffv.org.au).

These results will be used to plan 2018 draft league structures which will be based on collective data submitted by both MiniRoos Hubs.

### **Mid-season Re-grading**

FFV will offer one final opportunity for clubs to re-grade. This will occur after the conclusion of Round 8 on Sunday 25 June. FFV will only be considering requests that are in extreme circumstances, hence we ask clubs to reassess if a request is necessary. We will contact clubs again once this is available.

### **Fixtures**

We have attached fixtures to the email sent today, and these fixtures are also available on the FFV Geelong website [HERE](#). FFV has confirmed clash free Southern Hub fixtures, however if there are any concerns please email [competitions@ffv.org.au](mailto:competitions@ffv.org.au). In the meantime, we ask relevant club members to recheck their fixtures in preparation for the next weekend of fixtures from Sunday 18 June onwards.

Regards,

Michael Ireland
