SUBJECT: TOP GOAL SCORER AWARDS – FINAL REMINDER

Dear Clubs,

All clubs are reminded of their responsibilities (as per 2017 Rules of Competition) regarding results entry to ensure their players are in contention for their respective top goal scorer awards.

As per the previous Memo sent to clubs on Thursday 20 July 2017 (please [click HERE](#)). Clubs will have a final opportunity to enter goal scorer data for all Men's, Women's State Leagues (senior teams only) by **9am Tuesday 19 September 2017**.

As a result, we have unlocked the status of all games in these senior leagues on SportsTG for the 2017 season to allow clubs a final opportunity to enter in any missing data. After this date FFV will conduct a final tally and will publish the Top Goal Scorer Awards for each league by **Thursday 28th September 2017**.

Please note goals scored during Finals & Playoffs will not count towards these awards.
